New arrangement of the print collections in the library - highlights the curriculum and makes the collection more "self-service" for students after hours. These improvements were inspired by a recent Library Conference focusing on revitalizing the library.

Spring Events

- The Book Fair was held March 21-24th. All proceeds went to the community children’s section. [We added approx. 50 books to our collection]
- Tech Week - Webb celebrated Teen Tech Week March 7-11, 2016, with the theme "Create it at your library." See the exciting things going on in our new Maker Space!
- School Library Month is the AASL celebration of school librarians and their programs. April 2016 theme is “School Libraries Transform Learning.”
