Blood Drive
Student Council is sponsoring a Blood Drive on February 9th from 11-4:00 p.m. Severe winter weather this year has caused many schools to cancel or delay classes. These same weather systems have also forced the cancellation of more than 500 American Red Cross blood drives nationwide, including more than 200 within the Central Division of Red Cross Biomedical Services alone. This has resulted in the loss of approximately 14,000 uncollected blood and platelet donations across the U.S. since the beginning of January. Though winter weather has had an impact on donations, hospital patients still depend on lifesaving blood and platelets for treatment.

If you are able to give blood, please email Ms. Northrup (knorthrup@webbschool.com) to schedule an appointment. Please visit the American Red Cross to see if you are eligible to donate.

The Webb Theatre Announces the Spring 2018 Play:
Agatha Christie's THE MOUSETRAP
will be presented April 26th, 27th, and 28th, on the chapel stage. Audition contracts and information will be posted on the Black Box theatre board in Lundin Fine Arts Center #103. Click here for preview.

Host Families Needed Summer 2018
This summer Webb will welcome a group of 10 high school students from France who are part of a group of over 160 students who come to the United States every summer from their high school near Lyon, France, in order to practice their English skills. They will be flying into Nashville around June 16th and staying until July 10th, and we are in need of families to welcome them into their homes during this time.

If you would be interested in serving as a host family or would like more information about the commitment involved, please contact Mallory Garcia at mgarcia@webbschool.com. We have served as a host school previously in 2013 and 2015, and it was a great success both times!
